### COMMAND DESCRIPTION AND DEMOGRAPHICS

Naval Station, San Diego, is a Class I shore (field) activity assigned to the operating forces, under a Commanding Officer, in a fully operational status. The Commander-in-Chief, U. S. Pacific Fleet exercises command over Naval Station

through Commander Naval Logistics Command, U. S. Pacific Fleet, who provides operational and financial support. Area coordination is exercised by Commander Naval Base, San Diego.

Fiscal Year 1981 APF was:

First Quarter	- \$6,296,000
Second Quarter	- \$5,770,000
Third Quarter	- \$7,649,000
Fourth Quarter	- \$6,150,000
Total	\$25,865,000

Civilian Personnel Ceiling Control Total: 330

Naval Station on board personnel strength at year end was: 36 officers, 675 enlisted personnel, of which 114 were temporary duty (Limited Duty and Humanitarian Assignment), 81 were enlisted women personnel, 309 civil service personnel, 89 contract personnel, 308 Recreation Services full and part time employees. Open Mess staffs were: Officers's Mess 55, Chief Petty Officers' Mess 79 full and part time, Petty Officers' Mess 68 and Enlisted Mess Open 75. The Navy Exchange on board personnel strength for all facilities was 705.

The monthly average number of transient personnel was 553. Prisoners at the Naval Station Brig averaged 172 per month with a high of 193 in January and a low of 143 in August.

Naval Station hosts 47 tenant activities and 23 staffs with an average population of 13,046 military and 5,376 civilian personnel. The daily average of 45 ships are berthed at the station with a peak average of 59 ships in the Third Quarter and a low of 30 in the First Quarter. Naval Station, San Diego, is homeport of 97 ships with a total of 35,600 personnel assigned.

## NARRATIVE OF MAJOR EVENTS, DEVELOPMENTS AND OPERATIONS

### SECURITY OFFICE

. The Investigation Division was instrumental in formation of the "Military and Civilian Law Enforcement Officers Association". Membership is comprised of military, Department of Defense personnel and civilian law enforcement officers with a goal of mutual cooperation between military and civilian law enforcement agencies.

. Police Dog Cory won the Golden State Award for Patrol Dog (First Place).

. The Police Academy commenced a six-week course for all Law Enforcement personnel. Those completing the course successfully were changed from 085 Guard series to 083 Police Officer series.

### FIRE DEPARTMENT

. The Fire Department now has the capability to transmit and receive on State Wide Echo - 1 frequency for mutual aid with both the San Diego and National City Fire departments for any natural disaster emergency operation.

### EQUAL EMPLOYMENT OPPORTUNITY

. Community Outreach efforts were strengthened by providing training in typing skills to minority residents. The training was conducted during the evening hours by a certified typing instructor. Upon completion of the class, which ran for 30 hours, the participants were certified according to civil service typing standards. The participants were given information and assistance on how to apply for federal register examinations.

. Project Step (Systems to Encourage Potential) is an outreach program designed to bring federal civilian and military career alternatives to youths from grade 7 through 9 in junior high schools. The first program was held this year giving youth an opportunity to hear from Naval Station department heads, visit their offices and shops and tour a ship.

### RECREATION SERVICES

. The Field House, Bldg 3279 was accepted on 1 May 1981. This 4.5 million dollar complex was built with funds received from the Port Authority and the City of San Diego in exchange for the Navy Athletic Field located on 5th and Harbor Drive, San Diego.

. On 4 May 1981, the Naval Station full-time child care center, Fairhaven was opened. The facility will accomodate 150 children, ages 2 through 5.

## NARRATIVE OF MAJOR EVENTS, DEVELOPMENTS AND OPERATIONS

. On 19-20 May 1981, Naval Station hosted the Interservice Men's and Women's Bowling Championship. Services represented were Navy, Air Force, Army and Marines. Winners by events were:

Team - Men - Air Force  
Women - Air Force

Doubles - Men - Navy  
Women - Marines

Singles - Men - Air Force  
Women - Air Force

All Events - Men - Army  
Women - Air Force

. In June 1981 Naval Station evacuated the 5th and Harbor Drive recreation complex in downtown San Diego. The property was turned back to San Diego by prior agreement and the return to Naval Station of \$4.5 million in exchange for the unused portion of our lease with the City of San Diego.

. Christening ceremonies for the new Recreation Services sportfishing vessel M.V. SEA LINK were held on 1 July 1981. The new sportfishing vessel entered scheduled service with a fishing trip to Descanso Bay. The SEA LINK features the most modern electronic equipment for safety, navigation and fish finding, including radar, Loran-C, ship-to-shore radio and automatic pilot. Other features include a fully equipped galley, sleeping accommodations for 25 and 60-scoop bait tank.

. Established site locations and prepared the lots for constructing (24) campsites on the perimeter areas of Little America, Picnic area, Navy Recreation Center, Mission Gorge, San Diego.

. During 1981, the International Tour Program increased to include 12 departures to such broad distances as South Pacific, Scandinavia, Mexico, Iberian Peninsula, Caribbean Cruise, Alaska Inland Passage Cruise, Canadian Rockies, and Fall Foilage Tour (Eastern Canada and U.S. average complement of above was 35-50 military active, retired and dependents, per tour mentioned). The scope of the Domestic Bus Tour Program also increased to include longer (one week) tours to Yellowstone/Grand Tetons National Parks, visits to other military installations, River Rafting (geared for active military personnel), Carlsbad/Old West, and San Francisco/California Coastal areas.

## FAMILY SERVICES CENTER

. On 24 October 1981, the Retired Affairs Section conducted a Retired Affairs Seminar. Twenty-five thousand flyers were prepared and mailed to the area designated for Naval Station to cover. Over 500 Navy and Marine Corps retirees and widows attended. The seminar presented an opportunity for Family Services to advise attendees of the Retired Affairs Section at Naval Station.

## NARRATIVE OF MAJOR EVENTS, DEVELOPMENTS AND OPERATIONS

### COUNSELING AND ASSISTANCE CENTER

. Scheduling procedures have been changed due to the large number of requests by commands for "emergency clients" to be seen and the great percentage of "no-shows". When CAAC has a "no-show" that appointment time is quickly filled by contacting commands with emergency clinics.

. The Outreach Program has become quite extensive. It is the collateral duty of the assistant director to coordinate all outreach presentations. This year it has been expanded to include civilian high schools in the area (leading to positive Navy contact with the civilian community).

. Due to the increasing number of individuals requiring screening, CAAC is working with shipboard counselors in an ADDU status. Five ships (USS SCHENECTADY, USS HOEL, USS CUSHING, USS THOMASTON, AND USS FLETCHER have qualified counselors who assist CAAC in the preliminary screening aboard the ships before being screened by CAAC, Naval Station.

## MISSION AND FUNCTIONAL CHANGE

### TRANSIENT PERSONNEL

. The transfer of discipline functions at Military Personnel Department Naval Station to Personnel Support Activity, San Diego occurred on 28 June 1981.

. The processing of Navy and other service veterans was transferred to Naval Training Center. An average of 100 people per month were processed into active Naval service prior to this functional shift.

## CHANGES IN PERSONNEL COMPOSITION

### COMPTROLLER

. The commands civilian ceiling of 333 was reduced by three to a new total of 330 due to transfer from the discipline function at Military Personnel Department to Personnel Support Activity, San Diego. Personnel Support Activity gained the three billets lost by Military Personnel Department.

### COUNSELING AND ASSISTANCE CENTER

- . The civilian position was down-graded from GS-4 to GS-3
- . One of two officer billets was subject to the Officer Manning Plan (OMP).
- . Three counselor positions (military) remained unfilled.

### Brig

. Chief of Naval Operations designated the Navy Brig as a separate command. The Brig Officer's billet has been redesignated as a Commanding Officer's billet. Activation ceremonies have not yet taken place.

. Due to the anticipated opening of a new brig dormitory, manning (on paper) was increased from 99 to 120 authorized billets. The additional staff members have not yet arrived, delaying the opening of the new dormitory.

### UNACCOMPANIED PERSONNEL HOUSING DEPARTMENT

. Supply Clerk GS-2005-4, filled with/by SH1 rating, however, the Civil Service billet remains open.

. Unaccompanied Officer Quarters Manager Position GS-1101/7 lost due to position being filled by MSC Rating.

### EQUAL EMPLOYMENT OPPORTUNITY

- . Addition of one billet, EEO Assistant, GS-361-5, filled.

### PUBLIC INFORMATION & SERVICES CENTER

. Gained and filled one billet, Public Information Specialist, GS-1081-7. Gained one J01 Billet.

### TRANSIENT PERSONNEL DEPARTMENT

. A position for a GS-4 Military Personnel Clerk was created on 27 July 1981. The position is filled.

## CHANGES IN PERSONNEL COMPOSITION

### MANAGEMENT ASSISTANCE OFFICE

. The Internal Review function was previously strengthened to two full-time auditors reporting to the Management Assistant (Director of Internal Review). A position and ceiling point has been assigned to the Management Assistance Office for a Management Analyst, GS-343-11, to execute a Commercial Activities Program at Naval Station.

### FAMILY SERVICES CENTER

. The following billets were gained and filled:

- Chaplain, Family Services Center (O-5)
- Chief of Services (GS-11)
- Program Coordinator (GS-9)
- Social Worker (GS-7)
- Information and Referral Specialist (E-5) 1, and (E-6) 1
- Navy Counselor (E-7)
- Retired Affairs Specialist (GS-7)
- Home Economist (GS-9)
- Secretary (GS-5)

## ACTIVATIONS OR DEACTIVATIONS

### MAGNETIC SILENCING FACILITY

. Bremerton, Wash. - YFNX-19 was struck from the Naval Register on 15 April 1981 and transferred to the Bureau of Indian Affairs to be used as an ice plant in Alaska.

## MAJOR PROBLEMS AFFECTING DEPARTMENT WHICH IMPACT ON COMMAND

### COUNSELING AND ASSISTANCE CENTER

. Manning continues to be the Counseling and Assistance Center's major problem. In 1981, CACC lost three military (enlisted) counselors and have not yet been replaced. No-shows for appointments have run at approximately 20-25 per cent for the entire year.

### UNACCOMPANIED PERSONNEL HOUSING DEPARTMENT

. Lack of existence of qualified/school trained personnel to fill shortage in the authorized manning slots in the department.

#### PERSONAL SERVICES AND INFORMATION CENTER

##### NAVY INFORMATION SCHOOL

. Attendance at the eleven session of the Navy Information School was 514. For the first time in eight years of operation, Navy Information School attracted active duty personnel. Through 1981, 93 active duty personnel attended. Another first this year was the school's four-day session held at the Naval Air Station, Miramar. The Commanding Officer NAS Miramar requested that the school hold two sessions in 1982.

### PUBLIC AFFAIRS

. Due to acquisition of Public Affairs Specialist billet, Public Affairs once again embarked on pre-deployment briefs, participating in six for USS CONSTELLATION in October and one for COMPHIBGRU EAST PAC, also in October.

### INSTALLATION LIBRARY

. Informational files on bases in and out of continental United States increased by 15, bringing the total count to 402 files.

### MAGNETIC SILENCING FACILITY

- . Services performed JAN-JUN 1981  
Range Runs: 675
- . Services performed JUL-SEP 1981  
Range Runs: 362
- . Services performed OCT-DEC 1981  
Range Runs: 386

### BRIG

. Brig population significantly increased during the past year with an average population of 180.

### NAVY EXCHANGE OFFICE

. Sales for the year ending December 1981 was \$62,481,300 or 20% over sales for the same period last year. Command distributions exceeded 1 million for the third straight year. This was noteworthy because of increased expenses. For example, utility rates, effective October 1981 increased 114% or \$500,000 annually.

## IMPORTANT NEW EQUIPMENT

### SECURITY OFFICE

. The following equipment was installed in the Fleet Exchange, Bldg 2301: Gamwell Fire Alarm Box 624, auxiliaries, sprinkler system, dry chemical system, evacuation horns and supervisory panel.

. A new Halon system was installed in the computer room of Bldg 119 (site of the Comptroller and Data Processing Offices) Public Works Center.

### MAGNETIC SILENCING FACILITY

. Electric Magnetic Roll cable (64,000 feet) valued at \$62,200 was received.

### UNACCOMPANIED PERSONNEL HOUSING DEPT.

. Modernization of the UOPH/UEPH complexes is still in process and the following items have been purchased and/or obtained for the use of the residents:

- . SEPT 81: 131 each, 16" room fans for the UOPH (installed or on issue).
- . OCT 81: 41 each, Dinette sets for the double rooms in the UOPH.
- . DEC 81: 41 each, 4 Shelf/Book cases for UOPH.
- . Purchase of a VCR (Video Cassette Recorder), to aid in training department personnel.

. Process initiated to standardize furniture/furnishings in the UEPH/UOPH complexes and simplify inventory procedures (OCT 81).

- . 26 each, 19" Televisions
- . 6 each, Ice machines
- . 40 each, Washers
- . 40 each, Dryers
- . 60 each, Compact refrigerators
- . 182 each, Vacuums
- . 36 each, Buffers
- . 7 each, Gasoline/Paint Storage lockers

## MAJOR MATERIAL CASUALTIES

### MAGNETIC SILENCING FACILITY

. The Mine Sweeper Ocean Magnetic Test Facility was casualty reported during the period of JUL-SEP. Underwater array of 63 magnetometer detector probes has 22 inoperative probes (34.9 percent defective). There are periodic failures due to seawater damage. Additional probe failures may result in total loss of capability in this mission area.

## MAJOR CONSTRUCTION PROJECTS IN PROGRESS OR COMPLETED (AF&NAF)

### RECREATION SERVICES

. Established site locations and prepared the lots for constructing twenty-four campsites on the perimeter areas of Little America, Picnic Areas, Navy Recreation Center, Mission Gorge.

. Installed an admission booth at the Picnic Area, Navy Recreation Center, Mission Gorge for collecting admission fees and making campground reservations.

. The Field House, Bldg 3279, was accepted on 1 May 1981. This \$4.5 million complex was built with funds received from the Port Authority and the City of San Diego in exchange for the Navy Athletic Field, located on 5th and Harbor Drive.

. Rebuilt #13 Fairway South Course that was destroyed by flooding of San Diego River. Contractor estimated cost \$50,000; Mission Gorge cost \$12,000.

. Restored the South Course Pumping Station that was destroyed by flooding of San Diego River. Contractor estimated cost was \$60,000; Mission Gorge cost \$25,000.

. A project for construction of a new automobile repair shop to replace two other buildings has been tentatively approved and submitted for design.

. With the 5th and Harbor Drive facilities demolished in June 1981, moved all 4 buses and mechanical equipment contained there to a new location, adjacent to the Auto Hobby Shop. Before new location was ready for use, a new Butler Bldg was set up, the entire area concreted for weight of buses, fenced and lit appropriately. In addition, 1,000 gallon diesel fuel tank was placed on a support which, in turn, was enclosed with concrete lip and drainage for spills.

. The Indoor Playing Courts, Bldg 3317 was accepted and opened on 28 August 1981. This \$900,000 building consists of six handball/racquetball courts.

### NAVY EXCHANGE

. A \$2 million Fleet Exchange was opened on 3 March 1981. The store is located at the intersection of Woden and Cummings Road and includes a Retail Store, Snack Bar, Personalized Services, Laundry/Dry Cleaning, and Barber Shop. The new facility combines outlets previously located in three dispersed locations. Sales in year ending December 1981 reflect 40% increase over the old facilities.

. The automation of 28th Street Service Station gas dispensers were completed. The new Automobile Repair Facility and construction of a new laundromat (fleet side) are in the planning/funding stage. The architect and engineer phase of a new Exchange Mini-Mart were completed.

MAJOR CONSTRUCTION PROJECTS IN PROGRESS OR COMPLETED (AF&NAF)

MAGNETIC SILENCING FACILITY

. Final plans for deperming pier alterations were recieved from Travis, Verdugo and Associates (CR 16-80). Estimate was: \$165,000.00

BRIG

. A new dormitory, which would increase Brig capacity from 187 to 237, is rapidly nearing completion. The new dormitory will be opened as soon as adequate staff manning levels are achieved.
